Dear Guest,

It is our pleasure to welcome you to Hotel Ziegler. Under family ownership since 1910, the hotel is now in the hands of the third generation of the Ziegler family.

Treat yourself to a couple of relaxing hours, forget the world outside and simply let us spoil you. Our menu can offer you almost everything, from drinks and good local food to gourmet dishes.

We would particularly like to recommend our fish from Lake Constance and our seasonal specialities.

We guarantee that our dishes are freshly prepared with the greatest of care and expertise. Whether meat, fish, venison or vegetables, all of our ingredients are fresh and are primarily of local produce from Allgäu and the region around Lake Constance.
